

§ 19.169

§ 19.169 Registry of stills.

The provisions of subpart C of part 29 of this chapter are applicable to stills or distilling apparatus located on plant premises used for distilling. As provided under § 29.55, the listing of a still in the application for registration, and approval of the application, constitutes registration of the still.

CHANGES AFTER ORIGINAL QUALIFICATION

§ 19.180 Application for amended registration.

Where there is a change with respect to the information shown in the notice of registration, the proprietor shall submit, within 30 days of such change (except as otherwise provided in this subpart), an application on Form 5110.41 for amended registration. Such application shall set forth, on sheets appropriately numbered or otherwise identified, the information necessary to make the notice of registration accurate and current. Where the change affects only pages or parts of pages of the notice of registration, such complete pages shall be submitted as will enable the replacement of the pages af-

§ 19.181 Automatic termination of permits.

(a) *Permits not transferable.* Operating permits issued under this part shall not be transferred. In the event of the lease, sale, or other transfer of such a permit, or of the operations authorized thereby, the permit shall thereupon automatically terminate.

(b) *Corporations.* In the case of a corporation holding an operating permit under this part, if actual or legal control of the permittee corporation changes, directly or indirectly, whether by reason of change in stock ownership or control (in the permittee corporation or in any other corporation), by operation of law, or in any other manner, such permit may remain in effect with respect to the operation covered thereby until the expiration of 30 days after such change, whereupon such permit shall automatically terminate. However, if within such 30 day period an application for a new permit covering such operation is made, then the outstanding operating permit may remain in effect with respect to the continuation of the operation covered thereby until final action is taken on such application. When such final action is taken, such outstanding operating permit shall thereupon automatically terminate.

(c) *Basic permits.* The termination of basic permits is governed by the provisions of 27 CFR part 1.
